

Budget Factor - Setup

To setup the Budget Factor in Restoration Manager go to Settings → System Setup → Budget Factor

At the top of the page is a quick search filter, if you're looking for a particular cost code. Another search option is Show only with defaults. Select the magnifying glass icon to complete the search.

Budget Factor

Code Cost: Begins With Show only with defaults 

Cost Code	Materials	Labor	Tech/Sub	Labor Burden %	Tech/Sub Burden %	Equipment	Other/Mileage
<Default>	40%	40%	40%	40%	40%	0%	40%
147	40%	40%	40%	40%	40%	0%	40%
