## Work Order – Send as a Text

The maximum message length for most carriers is 160 characters, including the sender’s email address, subject line, etc. Everything after 160 characters will be cut off and discarded.

*Note: We cannot tell you if the size and exact information displayed is the same as the screen shot below, because each device is different.*

### Sample Text Received:

Text Message  
Today 5:28 PM

Subject: WO# [1192-001](#) is Due on 3/5/2019 for Ja..  
WO# [1192-001](#) is Due on 3/5/2019 for Jameis Winston - Job Address

The Sub/Tech will receive the text and actual work order via email, if an email address is applied to the Sub/Tech record.
